WARRANTY

This product has a 1-year warranty, starting from the purchase date and is only valid with the proof of purchase (receipt or invoice). This warranty covers only the repair or replacement of the device and it is effective only in Greece.

3. Pairing

1. Long press  button (3 seconds) to enter Pairing mode. While searching for available devices the indication light on the headphones changes colors (blue & red alternately).

2. Activate 'Bluetooth' mode on your device and search for available devices. Select the headphones when they are detected under the name "CRYSTAL AUDIO BIE-02".

When the earphones are not in use, you can turn them off in order to preserve battery life. As soon as you turn them on, the earphones will connect to the last paired device automatically, in order for you not to miss any of your incoming calls.

The earphones will be automatically turned off if they are not connected to a device within 3 minutes.
